The Swiss Experience
Awaits You...

World's Premier Luxury Hotels Chain

Eminently ensconced in Switzerland, Swiss International has a panoramic existence around the world growing in strength to strength for the last 3 decades in a row.

A country well known in the world for its breathtaking landscapes, quality and precision in its technical strength and high moral values, Switzerland has leaped forward from the European shores to coasts of China , Africa and middle East. Our patrons will get hooked to the Swiss Hospitality and quality stringent like never before.

The hotels benefit furthermore from a robust support mechanism which includes extensive Business and Operational Support Sessions as well as tailored training and courses from the Swiss International Hospitality Academy.

Swiss International is currently on a tremendous journey of expansion in the GCC countries, Africa, Asia and in good old Europe. Their vision is to grow the chain to a 150 hotels by the year 2020.

Dynamic Location

A Flourishing Commercial Hub

Among the most renowned cities of the world Chandigarh makes a glittering presence. It has since emerged as eventful and most engaged commercial hub bustling with high velocity activity. Now Swiss International has proudly chosen this city to bring up its highly prestigious project. With its direct access to Tricity region and close proximity to the airport you can stay connected to all major establishments, entertainment hubs and other such amenities with major highway at arm's length. We are perched right at the threshold of the new Chandigarh International airport on the NH 64. Chandigarh once again, becomes the most sought after destination being in close proximity to Shimla, Kasauli and many other tourist attractions in Punjab and Himachal Pradesh.

Chandigarh International Airport

“Chandigarh is now internationally connected as brand new sparkling international airport has come up at Mohali. This surely makes a stunning presence that casts a spell on you. A quick stroll away from Tricity Towers, this iconic flyway catapults the prestige and strength of Chandigarh city to soaring heights. Most importantly it is going to ease pressure on Delhi airport which is bursting at seams day in day out. Travellers from Punjab, Himachal Pradesh and most parts of Haryana need not have to travel to Delhi for their international voyage, thus saving a whole lot of travel time, hassels and money of course! So it just about sums up that Chandigarh city is heading towards runaway success in all spheres of life.”

Bon Appetite
